EMPLOYMENT SERVICES

I am pleased to announce the creation of Lesia Employment Services ICC Limited (Lesia), based in Guernsey, Channel Islands, of which I am a partner and consultant.

Lesia was formed at the end of last year and has already established itself as an important player in the employment of crew working in the yacht industry.

As well as employing crew in a cost effective and innovative way, Lesia also offers a range of services to compliment its core activities:

- For owners who need to know if their employment of existing crew creates an employer's social security responsibility, Lesia has a Yacht Questionnaire
- For crew seeking clarification of their social security responsibilities, there is an Analysis Questionnaire
- Lesia carries out pre-MLC 2006 inspections and gives guidance on the Declaration of Maritime Labour Compliance Part II of the Maritime Labour Convention.

If you would like to know about how Lesia can help you or your clients, please visit our website at [www.lesiagroup.com](http://www.lesiagroup.com) and contact us at [enquiries@lesiagroup.com](mailto:enquiries@lesiagroup.com)
